

### REMARKS

Claims 22 and 27 have been amended for consistency to indicate that the composition of the films contains from 0 to 10 % of a plasticizer oil. Support for these amendments may be found in Claim 1 and in Table 3.

Claims 32 and 33 have been added in order to claim a range wherein the plasticizer oil is present in an amount from 1 to 10 %.

Claims 11 to 31, as amended, and newly added claims 32 to 33 are now pending in the present application. Applicants respectfully request entry of these amendments and examination of the present set of claims.

Respectfully submitted,
